NEW!

The ideal working tool for pad printing operators!

(Article-No. 103 656)

 english version | date: 11.2010

At a glance!

- Functional and significantly slimmer than the previous model
- On wheels for easy transfer from one place to another
- Universal operator aid

Functional and flexible!

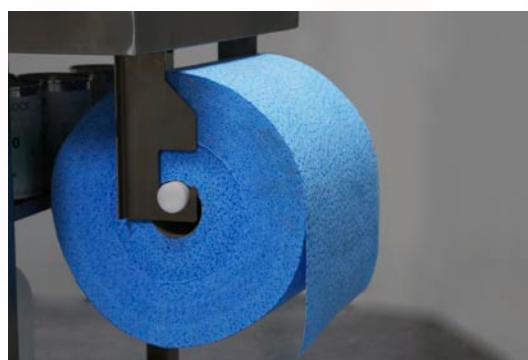

The improved Service Cart MW700 2.0 is an ideal working tool for the pad printing operator. Made of stainless high-grade steel and therefore extremely hard wearing.

Through optimisation the new service cart compared to the previous version is a lot more flexible at a more attractive price range.

Optimized for the pad printing users, the new MW700 2.0 is equipped with shelves to store auxiliary items, pads, tools and much more. For cleaning jobs a paper towel rack with towel holder is also integrated.
